Working on an Altoona museum trip, details to follow.

## Everett Railroad—Sunday April 12, 2026

Join us in our 26th year of excursions on this railroad. In the previous twenty-five trips, the runs totaled 55- 60 miles. We expect the same in 2026. This will be a great way to complete the weekend for those riding the WMD Scenic on Friday & Saturday. The set-on is at Hollidaysburg, PA . We will travel south to Claysburg and turn the cars. Restrooms will be available. Then we will return to Hollidaysburg, turn the cars, and travel south to Roaring Spring's RR station, where we will take our lunch and restroom stop. Lunch and ice cream will be available at the station. Details will be sent to those who register. After lunch we will continue south to Martinsburg, turn our cars on the wye, and retrace our route back to Hollidaysburg with an ice cream stop at Roaring Spring Station on the way. This will be a Northern Central Railcar Assoc. excursion. NARCOA rules will be enforced. There is a 45-car limit. Cost is \$60 per car.
