

## **NCRA applicants:**

**Printed NCRA membership applications will be available at the NCRA meeting on Wednesday, January 7, 2026. You can pick up a copy there.**

Attached are 2026 NCRA applications. They are being sent to you because you were previously a member or you requested a copy. The releases for each railroad must be printed 2-sided. NARCOA sent a message requiring us to use the new release forms. They stated that all releases must be 2-sided. **Releases not printed 2-sided, on one sheet of paper, will be returned.** If you can't print the forms correctly yourself, please send an e-mail to me: [GShrey@aol.com](mailto:GShrey@aol.com) or call me at 717-227-9628 and I will gladly mail a printed copy to you. You can also fill out the papers and join at your first 2026 excursion. Dale Steiner will have applications at all Northern Central and Stewartstown excursions. You can't join until you have 2026 NARCOA insurance. Applications sent without insurance numbers will be returned,

You don't need to join until your first excursion. You will be welcome at meetings and will be kept on the e-mail list until you request to be removed.

**Do not send applications or money for NCRA membership until you have your 2026 NARCOA insurance.**
